Here's what we're eating this week on CTbites:

**Westport-Weston Restaurant Week** starts February 28th. We've got the full list of participating restaurants. Make your reservations now!

**Organic burgers, fries & hormone-free shakes @ the retro-modern Filling Station Co.**, opening soon in New Canaan. Keep an eye on that door...

Join us on February 23rd for our monthly **CTbites & SuzySaid lunch event** at **Cafe Tavolini in Bridgeport**. Help us write the review...We haven't done this one yet!

CTbites Roadtrip: Elizabeth Keyser takes us on an **eating adventure to Old Lyme & Chester CT** with a stay at **The Bee and Thistle Inn & Spa**.

Watch Chef Nicole's **step-by-step video** for her kid-friendly, fun to make, **Asian Turkey Vegetable Potstickers**. It's like folding origami, but tastes a whole lot better.

If you care about the food you eat, don't miss the **February 27th screening** of the documentary **FRESH**. **Get the details here.**
